MANAGEMENT DISCUSSION AND ANALYSIS

Khatod Investments & Finance Co Ltd is a non-deposit taking Non Banking Financial Company (NBFC-ND) registered with the Reserve Bank of India (RBI). It is engaged in the business of investment and lending.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The NBFC sector is expected to remain at the forefront and drive new credit disbursements for India's underserved retail and MSME space. In the last five years the lending book of NBFCs has grown nearly by 18% due to a deep understanding of target consumer segments, technological advancements, lean cost structures and differential business model to reach credit-starved customer segments. The year 2018 was a year of crisis for some of the NBFCs. To occupy the space vacated by Public Sector Banks (PSBs), certain NBFCs went into a frenzy of credit expansions without considering the asset-liability scenario. This resulted in huge defaults on the part of such companies and intensified fears that the funding cost for NBFCs will zoom and result in a sharp deterioration of their margins. However, the government took several quick measures not letting this crisis turn into a contagion and spilling over to other sectors. These measures included altering operating mechanism and making relevant changes in the risk management framework. Though the outlook for NBFCs for 2019 seems weak, a gradual improvement in the liquidity situation indicates that there could be a stabilisation in the coming days.

OPPORTUNITIES AND THREATS

There are enough opportunities for your Company to grow in financing activities. A major opportunity for the Company will be rural market. There is huge untapped rural sector which has not been exploited yet and this area may give rise to profitable opportunities in the lending and financing segment. Further, the Company can increase its margin through trading in shares and securities of profitable ventures.

However, there looms a threat that the margin may be affected due to the adverse trends in stock prices of the related securities. The major threats to the lending and financing segment includes high cost of funds, rising non-performing assets (NPAs), competition from other NBFCs and banks, etc.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company has identified that its operating activity is a single primary business segment viz. Investment and lending business carried out in India. Accordingly, whole of India has been considered as one geographical segment.

OUTLOOK

India has a lot of un-banked and under-banked consumers and businesses. Hence there is a lot of potential for NBFCs, which can still be tapped. The NBFCs are being recognised as vital for growth. Regardless of the recent panic, NBFCs are here to stay and play an important role in economic growth and financial inclusion. Given the crisis and concerns surrounding the sector, NBFCs with robust business models, strong liquidity mechanisms, good governance and risk management standards are well positioned to take benefit of the market opportunity. The outlook of the business of the Company looks stable.

RISK AND CONCERNS

The Company's business is exposed to several financial and market risks. However your Company's business model is efficient enough to manage the risks associated with the business opportunities. The risks are vigilantly monitored and managed with proper understanding upon thorough considerations of market conditions, adequate systems, checks and balances duly in place considering the business objective, risk absorbing capacity and capital deployment.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a proper and adequate system of internal controls commensurate with the size and nature of its business. Internal Control and Audit is an important procedure and its effectiveness is reviewed by the Audit committee of the Company on a quarterly basis. The Company has also a well-defined organization structure, authority level and internal rule and regulations. These have been designed to ensure effective and efficient operation and compliance of applicable laws and regulations and to provide reasonable assurance that all assets are safeguarded; transactions are authorized, recorded and reported correctly.

INDEPENDENT AUDITOR'S REPORT

To the Members of Khatod Investments & Finance Co. Ltd.

Report on the Financial Statements

We have audited the financial statements of "**Khatod Investments & Finance Co. Ltd.**", (the Company'), which comprise the balance sheet as at **March 31, 2019**, the statement of profit and loss and statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and profit and its cash flow for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on Matter

Without Qualifying our report we would like to draw attention to Note-17.3 of the Financial Statements explaining the reason for not following Accounting Standard 15 i.e. "Employee Benefits" with regard to Provision for Gratuity and its likely impact on the Financial Performance of the Company.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records,

relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Khatod Investments & Finance Co. Ltd.** ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being

made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
